What happens if you want someone to lodge the complaint on your behalf?

There are times where you may want someone such as a financial counsellor, legal representative or family and friends to lodge a complaint on your behalf. Once you have provided appropriate authority for your representative to liaise with us, we will not contact you directly unless:

- You request us to communicate with you directly,
- We have concerns that your representative is not acting in your best interests, is acting in a deceptive or misleading manner (with you and/or us), or is not authorised to represent you, or
- Australian Financial Complaints Authority (AFCA) has excluded your representative from representing complainants in relation to any complaint lodged with AFCA.

What can you expect when you make a complaint?

Our aim is to resolve your complaint in the moment if we can or within 5 business days. If we are unable to resolve your concern at your first point of contact, we will let you know and will then refer your complaint to our dedicated Customer Solutions team.

We will work quickly to understand your concerns.

A Customer Manager from our Customer Solutions team will send a complaint acknowledgment to you within one business day and will then work to find a solution for you.

Your Customer Manager will explain our complaints process to you, clarify any additional information we may need, and be your point of contact until your complaint is resolved. Your complaint will be reviewed in a fair and objective manner, in line with our FAIRGO principles.

We will keep you updated.

During the assessment and investigation of your complaint, your Customer Manager will solve your complaint with care, find a solution as quickly as possible, and help to prevent similar issues from occurring again. We will provide you with regular progress updates and if some further information is needed, we will always let you know.

There are many things that can affect complaint response times, but we will strive to meet or outperform the maximum complaint resolution timeframes that are set by law.

When we get it wrong, we want to put it right.

We aim to provide an outcome to your complaint that is fair, transparent, and timely. We will let you know the outcome of your complaint in writing.

Bank of Melbourne has a Customer Advocate whose role is to advise and guide our complaints team on how best to resolve a complaint and also to listen to customers and recommend changes to policies, procedures and processes. Visit the '[Feedback and complaints](#)' section of our website and complete our [secure feedback form](#).

If you're still unhappy.

If you are not satisfied with our response or handling of your complaint, you can contact the external dispute resolution scheme, the Australian Financial Complaints Authority (AFCA).

Australian Financial Complaints Authority.

AFCA is not part of Bank of Melbourne. AFCA provides a free and independent service to resolve complaints by consumers and small businesses about financial firms (e.g. banks), where that complaint falls within AFCA's terms of reference.

The contact details for AFCA are set out below.
